Horndean Parish Council

NOTICE OF MEETING

AN EXTRAORDINARY MEETING OF HORNDEAN PARISH COUNCIL WILL BE HELD MONDAY 02 DECEMBER 2024 AT 05.45 P.M IN JUBILEE HALL.

Members are summoned to attend

Cllr John Lay
Chairman of the Council

26 November 2024

AGENDA

1. To receive apologies for absence.

2. To receive any Declarations of Interest.

3. To open the meeting to members of the public to enable them to address questions to Parish Councillors. *The period of time which is designated for public participation shall not exceed 20 minutes. Each member of the public is entitled to speak once only in respect of business itemised on the agenda and shall not speak for more than 3 minutes. A question asked by a member of public during public participation session may be answered at a meeting or in writing following the meeting and shall not require a debate.*

4. To receive and consider the recommendation from the Grounds Committee on the 25 November 2024, in respect of the Green Trail and Heritage Network project within Catherington Lith, and agree the payment of a deposit.

Dear All

Further to point 7 of tonight's agenda, apologies that I'm a bit late with this information, but I have been waiting on a response from Michael Jones regarding the cost of the tree sculptures that he will create for us as this is easily the most significant and crucial part of this strand of the project.

The two stipulations are that the £35k grant money has to be spent before March 31st 2025 and that the work falls within the boundary set by DEFRA. Happily, Catherington Lith falls well within the boundary and this was planned to be one of the first sites that we would start to implement the Green Trail Strategy, as agreed earlier this year by the Strategy Group

Having walked the site and discussed in detail with Matt how we should best achieve our aim for the Lith Trail, in the short time-frame, we have the following headlines:

- 4 x Large woodland floor sculptures (2 x animal & 2 x mythical themed) £15k including delivery to site
- Pathway levelling & improvement works £5k (external contractor)
- Purchase of timber for hand rails, additional benches and steps as needed £3-£4k (Grounds Team work)
- 2 x Post Mounted Landscape Display Boards £2.5k including installation (external contractor)
- Display Board Map & Waymarkers Design & Production (Urban Place Labs - amount TBC depending on final numbers required to a maximum spend of £8k total)

Hopefully this information will help to fully inform the discussion at this evening's meeting - apologies that I can't be there as I'm on the EHAPTC meeting instead.

The priority is that we just get on with it now as we really don't want to run out of the fixed time allowed to spend the money!

Regards All

Andy Redding
