HORNDEAN PARISH COUNCIL

MINUTES OF THE COUNCIL MEETING HELD AT JUBILEE HALL ON 15 DECEMBER 2025 AT 6.30 P.M.

PRESENT: Councillors A Redding (Chairman), T Attlee, J Lay, D Prosser, N Smith, R Smith, R Sowden, J Tyler

IN ATTENDANCE: Becky White, Clerk; Sarah Guy, Office Manager (Minute Taker); Simon Ritson, RFO

PUBLIC ATTENDANCE: District Cllrs E Woodard and 3 members of the public.

HPC 200/25/26 TO RECEIVE APOLOGIES FOR ABSENCE

Apologies were received from Cllr P Beck, County Cllr M Harvey and District Cllrs D Edwards and J Hogan.

HPC 201/25/26 TO RECEIVE ANY DECLARATIONS OF INTEREST

No declarations of a pecuniary interest were received.

HPC 202/25/26 TO RECEIVE A WRITTEN UPDATE FROM COUNTY COUNCILLOR MRS M HARVEY REGARDING COUNTY COUNCIL MATTERS

The report as circulated was noted with thanks (attached as Appendix 1 to the minutes).

HPC 203/25/26 TO RECEIVE A WRITTEN UPDATE FROM DISTRICT COUNCILLORS REGARDING DISTRICT COUNCIL MATTERS

Reports by District Cllr D Evans & J Hogan were circulated and noted with thanks (attached as Appendix 2 to the minutes).

HPC 204/25/26 TO OPEN THE MEETING TO MEMBERS OF THE PUBLIC

The meeting was duly opened to members of the public.

A question was raised regarding the legibility of documents available via the East Hants District Council planning portal and EHDC's responsibilities in this area as the Local Planning Authority. Although Members had experienced similar issues and sympathised, it was agreed that this was a query which should be raised directly with EHDC.

HPC 205/25/26 TO APPROVE THE MINUTES OF THE COUNCIL MEETING HELD ON THE 03 NOVEMBER 2025

*It was **RESOLVED** that the minutes of the Council meeting held on 03 November 2025 be signed as a true record of the meeting.*

HPC 206/25/26 TO RECEIVE AN UPDATE IN RESPECT OF THE RECRUITMENT OF THE CLERK POST

The Chair gave a verbal update on behalf of the interview panel. The new Clerk, Becky White, had been in post since 1st December 2025 and would have regular monthly reviews with the Chair and Cllr D Prosser, as

Chair of the Staffing Committee, throughout the six month probationary period. This was noted and the new Clerk welcomed.

HPC 207/25/26 TO NOTE THE OFFICER'S REPORT

A report by the by the Clerk was circulated and noted, with the addition of an update on the successful launch of HPC's new website. Thanks were given to Sarah Guy, the Officer Manager and her team on their dedication and hard work on this significant project. Thanks, were also extended to former councillor, Andy Forbes, for taking the time to email his complements to HPC on the improved site.

HPC 208/25/26 TO RECEIVE AN UPDATE FROM MEMBERS REPRESENTING THE PARISH COUNCIL WITHIN EXTERNAL ORGANISATIONS AND WORKING PARTIES

Highwood Homes – Land at Rowlands Castle Road

Cllr J Lay updated Council on Highwood Homes' approach regarding the areas of open space at their development off Rowlands Castle Road.

*Under Standing Order 5 ix, it was **RESOLVED** that the Clerk contact Highwood, request the formal offer and begin looking at the implications, with a view to reporting back to Council by the end of the current Council year*

Neighbourhood Plan

Cllr J Lay reminded Council that the development of a Neighbourhood Plan (NBP) for Horndean Parish had been supported earlier in the year at the Annual Parish Meeting. HPC had subsequently applied for and gained designation as a Neighbourhood Planning Area from EHDC as the Local Planning Area. Work on the NBP had been deferred, pending the outcome of UK Government's work on the proposed Local Government Reorganisation. In the meantime, the NBP Working Party had identified that a review of the Village Design Statement, now 25 years old, would be both timely and useful for inclusion into any later NBP work. Cllr Lay noted that although this work would involve HPC, it was a community process. A communication had gone out via the Council's media channels inviting local residents, businesses and community groups to form a Steering Group to led this work. This was noted.

Horndean Improvement Project

Cllr R Smith updated Council on recent activities including the ongoing work to engage with the management companies for both the Gales site and the Precinct. Thanks was given to the local MP, Damian Hinds, for his visit and his support and actions in tackling local issues such as the flooding in Havant Road.

Cllr T Attlee provided an update, following resident Ron Hammerton, previous member of the Horndean Improvement Project (HIP), having moved from the area. She said an award was presented to Ron by members of the HIP and some Cllrs, at a recent gathering, where he was thanked for his time, effort and expertise, which has been really invaluable. He will be missed.

Horndean Green Trail and Heritage Network

Cllr A Redding advised that the map boards had now been received and would be install over early 2026 in key locations, all but one of which was on HPC land. Negotiations were underway with Hampshire County Council regarding the siting of 4 pieces of HGTHN infrastructure, including 2 trail milestones, one map board and one gateway marker, at Dell Piece West. Congratulations were given to Urban Place Lab for their excellent work on the design of the map boards being installed.

Havant Thicket Reservoir

Cllr T Attlee had circulated a report on HTR to all members prior to the meeting (attached as Appendix 3 to the minutes).

HPC 209/25/26 TO RECEIVE AND APPROVE THE ORDERS FOR PAYMENT FROM 1ST OCTOBER TO 30TH NOVEMBER 2025.

The Orders for Payment as listed had been previously circulated by the RFO (attached as Appendix 4 to the minutes).

*It was **RESOLVED** that the Orders for Payment from 1st October to 30th November be approved and duly signed.*

HPC 210/25/26 **TO RECEIVE AND NOTE THE RFO'S MONTHLY FINANCE REPORT (DATA TO 31ST OCTOBER 2025**

A report by the RFO was circulated and an update provided. This was noted and thanks given to the RFO and team.

HPC 211/25/26 **TO RECEIVE THE FINANCE & GENERAL PURPOSES COMMITTEE'S RECOMMENDATION OF 8TH DECEMBER 2025 AND APPROVE THE BUDGET FOR THE 2026/27 FINANCIAL YEAR**

The report and proposed budget for 2026/27, totalling £538,095, had been previously circulated by the RFO.

*It was **RESOLVED** to approve proposed budget for the 2026/27 financial year.*

HPC 212/25/26 **TO DETERMINE THE PRECEPT DEMAND FOR THE 2026/27 FINANCIAL YEAR**

The report, detailing the required precept figure to support the 2026/27 budget, had been previously circulated by the RFO and confirmed that East Hampshire District Council have projected a tax base of 5,240.62 for 2026-27, an increase of 87.42 (1.7%). The new tax base figure had been fed into budget calculations and resulted in a precept requirement of £538,095 or a Band D equivalent of value of £102.68 per annum, a 3.57% increase on the 2025/26 figure. It was noted that this increase was below both the Consumer Price Index and Retail Price Index, being 3.8% and 4.3% respectively at October 2025.

*It was **RESOLVED** to approve the required precept for the 2026/27 financial year at £538,095 or the Band D equivalent of £102.68 per annum (1.97p per week).*

HPC 213/25/26 **TO RECEIVE THE FINANCE AND GENERAL PURPOSES COMMITTEE'S RECOMMENDATION OF 8TH DECEMBER 2025, AND APPROVE THE FOLLOWING POLICIES: RISK REGISTER FOR THE 2025/26 FINANCIAL YEAR AND THE FIXED ASSET POLICY**

*It was **RESOLVED** that Council approved the recommendation of the Finance and General Purposes Committee, as follows*

- *The Risk Register 2025/26 be adopted by Council.*
- *The Fixed Asset Policy be adopted by Council, noting the 2025/26 capitalisation threshold of £700.*

HPC 214/25/26 **TO CONSIDER A RESPONSE IN RESPECT OF THE CONSULTATION ON PROPOSALS FOR LOCAL GOVERNMENT REORGANISATION IN HAMPSHIRE, ISLE OF WIGHT, PORTSMOUTH AND SOUTHAMPTON**

This statutory consultation seeks views on the proposals that the Ministry of Housing Communities and Local Government (MHCLG) has received following the Secretary of State's invitation to councils in Hampshire, Isle of Wight, Portsmouth & Southampton to submit proposals for unitary local government for their areas. Full details of the consultation, including a privacy statement, at: Local government reorganisation in Hampshire, Isle of Wight, Portsmouth and Southampton - GOV.UK

The consultation was discussed in detail with each Member contributing their views.
*It was **RESOLVED** that HPC would submit a response favouring the Winchester City Council proposal, being that which most closely aligned with both the status quo in terms of local government organisation within the local area and Horndean's identity as a semi-rural landlocked parish. The Basingstoke and Deane Borough Council et al and the Hampshire County Council's proposals were seen as the second and third choice of four respectively. The Council strongly opposed the proposal put forward by Eastleigh Borough Council et al,*

which would see Horndean, Clanfield and Rowlands Castle parishes clustered with Fareham, Gosport, Portsmouth and Havant. The HPC response would be published on the website once submitted.

HPC 215/25/26 **TO RECEIVE AN UPDATE IN RESPECT OF A POTENTIAL S106 APPLICATION FOR TRANSPORT RELATED INFRASTRUCTURE PROJECTS TOTALLING £48,479.24**

The Chair gave a verbal update to the meeting to advise that the application for the items as listed below had been submitted and a decision was expected from EHDC within the next few days.

- HPC bid for 2x Speed Indicator Devices (SID), with sufficient funding left to look at the proposal to transform the island on Napier Road, ensuring it is made safe as a crossing, by installing a new pathway across the green to the bus stop and Portsmouth Road.

This was noted.

HPC 216/25/26 **TO RECEIVE A RECOMMENDATION AS TO THE WAY FORWARD IN RESPECT OF THE OPERATION OF THE AUTOSPEEDWATCH CAMERAS**

Cllr D Prosser had prepared a report on the ASW project and the prevailing issues and this had been circulated prior to the meeting (attached as Appendix 5 to the minutes).

Cllrs Prosser and Redding attended the recent HALC AGM, where Hampshire's PCC and Senior Roads Police Officer cited Data Protection legislation as the reason for their decision not to take action on data gathered by Parishes from the ASW scheme. Following discussion, Council agreed that HPC would discontinue the project and notice would be given to end the contract with immediate effect. HTC would continue to pursue opportunities to increase the number of Speed Indicator Devices deployed within the parish, with licenses already in place for 27 locations. Cllr Prosser noted that he had joined the Community Speedwatch group as a volunteer. The work undertaken by this group does result in police letters and follow up actions and Cllr Prosser had shared data regarding a further 7 potential CSW locations for consideration. The Council gave thanks for his time and commitment to the project over the last 18 months and his continuing efforts to combat speeding in and around Horndean Parish.

HPC 217/25/26 **TO RECEIVE THE RECOMMENDATION FROM THE FINANCE AND GENERAL PURPOSES COMMITTEE of 8th DECEMBER 2025, IN RESPECT OF THE FOLLOWING GRANT APPLICATION FROM THE ROSEMARY FOUNDATION**

*It was **RESOLVED** that Council approved the recommendations of the Finance and General Purposes Committee of 8th December 2025, in respect of the following grant applications*

- The Rosemary Foundation

The Rosemary Foundation be awarded £300.00, pursuant to S137 Local Government Act 1972. Funding to be used towards the Foundation's counselling service.

HPC 218/25/26 **TO RECEIVE THE RECOMMENDATION FROM THE GROUNDS COMMITTEE MEETING OF 24TH NOVEMBER 2025 IN RESPECT OF THE POND SURVEY AND MANAGEMENT PLAN**

The Pond Survey and Management Plan, which was commissioned via Arcadian Ecology, had been previously circulated. The Grounds Manager was in support and the Committee had recommended the Plan for adoption. The Clerk noted that the Plan had not been included in the budget setting process for 2026/27 and so she would work with the RFO and Grounds Manager to see whether the recommendations could be accommodated within the agreed budget and/or identify other sources of funding. This was noted.

*It was **RESOLVED** that Council approved the recommendation of the Grounds Committee as follows:*

- *The Pond Survey & Management Plan be adopted by Council.*

HPC 219/25/26 **TO APPROVE AN AMENDMENT TO THE MEETING CALENDAR AND NOTE THE NEXT SCHEDULED MEETING OF THE COUNCIL BEING 9TH FEBRUARY 2026.**

The Clerk noted that the Planning and Public Services Committee was the only committee schedule to meet between now and the originally scheduled Council meeting date of 12th January 2026. With the Council office and those of external bodies and other partners closed for a period over the Christmas break, only re-opening on 5th January 2026, it was the Clerk's advice that the balance of Council business against the cost of staffing the meeting meant that it would be more cost effective to defer any business to the meeting scheduled for 9th February 2026. Any changes would be advertised via the website.

*It was **RESOLVED** that Council approve the amendment to the meeting calendar with the next meeting of Council scheduled for 9th February 2026.*

HPC 220/25/26 **TO RESOLVE TO EXCLUDE THE PUBLIC AND THE PRESS, IN THE VIEW THAT PUBLICITY WOULD PREJUDICE THE PUBLIC INTEREST BY REASON OF THE CONFIDENTIAL NATURE OF THE BUSINESS OR ARISING OUT OF THE BUSINESS ABOUT TO BE TRANSACTED. (PUBLIC BODIES (ADMISSION TO MEETINGS) ACT 1960**

It was **RESOLVED** to exclude the public from the meeting. Members of the public left the meeting and a short recess took place.

The public meeting concluded at 8:55 pm.

HPC 221/25/26 **TO APPROVE THE CONFIDENTIAL MINUTE OF THE COUNCIL MEETING OF 6TH OCTOBER 2025.**

*It was **RESOLVED** that the confidential minutes of the meeting held on 6th October 2025 be signed as a true record of the meeting.*

HPC 222/25/26 **TO RECEIVE AND CONSIDER A REPORT ON STAFFING MATTERS**

The Clerk gave a verbal report to Council with input from the Chair.

*It was **RESOLVED** that the role of Administration Assistant – Committee and H&S Support be increased permanent to 30 hours per week.*

All other items were deferred to the next meeting of the Staffing Committee for further discussion.

The confidential part of the meeting concluded at 9:27pm

……..
Signed - The Chairman

Dated

Item 3

Please see my report below and please wish all councillors and staff a very merry Christmas and a happy and healthy NewYear.

REPORT

Well here we are again close to Christmas and this year seems to have flown.
I have been working with residents to solve problems with flooding and broken pipes that cause flooding and HCC have said that they will put it into the plan for next year, so hopefully that problem will get solved.
Ther have been many problems in Horndean, with the lights not being synchronised and the length of the bus lane which I am still working on!!
There have been many wins this year, with the resurfacing of the roads around Morrissons, but I am still trying to get HCC to sort out the many weeds at the roundabout, which seems to be an ongoing problem
I have again asked that all drains are cleared now that the leaves have finally stopped falling, so hopefully that will happen soon.
I have also been working with HPC about the lease for Catherington down and we are having a meeting very soon with the officer to hopefully get it sorted out.
This has been a very busy year for me and we have sorted out many issues and please remember that if you have anything you need help with, then please let me know in the usual way.
I wish you all a very merry Christmas and a happy and healthy New Year.

DC Report for HPC Council Meeting 15th December 2025

Cllr David Evans 9/12/2025

Local Government Reorganisation

The Consultation on the replacement of the County, Borough and District Councils of Hampshire with large Unitary Councils, each serving 500,000 people is now underway, closing at 11:59pm on 11 January 2026. The on-line consultation can be found on the EHDC website and here:

Local government reorganisation in Hampshire, Isle of Wight, Portsmouth and Southampton - GOV.UK

As I have previously said, it is not a proposal that I welcome as I believe it will pretty much delete the "Local" from Local Government, but we have been forced by the Government to engage with the process and EHDC voted to put forward with Hampshire County Council, the first of the four options you will find in this consultation. I support this option as I believe it will be the best one for the people of East Hampshire.

The online consultation is easy to do and you can make comments.

You will note that the Proposal from Eastleigh BC, Fareham BC, Hart DC, Havant BC, Portsmouth City Council, Rushmoor BC and Southampton City Council includes removing Parishes of Clanfield, Horndean and Rowlands Castle from East Hampshire and attaching them to the Unitary of a "Greater Portsmouth", to which I am strongly opposed.

Furthermore, you may have seen the note that "Portsmouth City Council, Gosport Borough Council and Havant Borough Council say they cannot find the sites to meet their own housing targets and have asked other Hampshire councils, including EHDC, to pick up some of their slack. Cllr Millard, the Leader of EHDC responded "Christmas may be the season of goodwill to all men and women but East Hampshire is not a development dumping ground. It is our legal duty to look carefully at the unmet needs of other councils as they have asked us to do. But make no mistake, we will put East Hampshire first in every decision we make."

The next public consultation on the Local Plan will take place around summer 2026. After that, it will be scrutinised by a Government-appointed Planning Inspector at a public hearing in 2027.

Aldi Store, Havant Road, Proposal: Revised and, in my opinion, much improved highway designs have been agreed which you can find on the EHDC Planning portal under the No: EHDC-25-0020-FUL

District Councillor Report for HPC Council Meeting – 15 December 2025

Local Government Reorganisation (LGR)

The Central Government has launched a public consultation on Local Government Reorganisation across Hampshire and the Solent area.

The consultation is open until 11 January.

Further details are available here:

https://www.gov.uk/government/consultations/local-government-reorganisation-in-hampshire-isle-of-wight-portsmouth-and-southampton

Rights of Rivers Motion

A motion brought forward by Cllr Ginny Boxall of the Liberal Democrat group and passed unanimously by Full Council, commits East Hampshire District Council to embedding river-rights principles into future policies and decision-making.

As part of this commitment, the Council will host a dedicated rivers workshop early next year to explore how these principles can be put into practice locally.

The decision recognises rivers as living ecosystems deserving legal protection, with particular emphasis on safeguarding Hampshire's globally rare chalk streams and rivers. The motion draws on the Universal Declaration of the Rights of Rivers, which establishes core rights such as the right to flow, the right to be free from pollution, the right to support biodiversity, and the right to regenerate. It also acknowledges aquifers and other local freshwater sources, that we find more locally in Horndean.

Homelessness Strategy

East Hampshire District Council is developing a new Homelessness Strategy and is inviting the community to take part. Anyone may contribute, but the Council is especially keen to hear from people with lived experience of homelessness or those who work with homeless individuals.

More information and the survey can be found here:

https://www.easthants.gov.uk/news/2025/help-us-tackle-homelessness-effectively

Cllr James Hogan – Horndean Downs ward

Cllr Elaine Woodard – Horndean Murray ward

Appendix 3

Havant Thicket Reservoir

Pre and Post Visit Data Summary April - November 2025

The Havant Thicket Reservoir welcomed 26 site visits between April and November 2025. To better understand how effectively our messaging is working, visitors have been asked to complete a survey before attending and again after their visit.

The summaries below highlight how opinions changed once the project was explained by the Havant Thicket Reservoir team. The data supports our view that when people are provided with clear facts and information, they feel more reassured and positive about the project.

Key findings from the surveys include:

- Before visiting **21% supported the reservoir project but not water recycling** but after visiting this figure **fell to just 16%.**
- Before visiting **53% of people supported both the reservoir and water recycling**, but once they had visited, this figure **increased to 77%**.

When focusing specifically on the Hampshire Water Transfer and Water Recycling Scheme, the data again shows a shift towards greater support:

- Before visiting **35% of people DID NOT support water recycling** but after visiting, this figure **fell to 11%.**
- Before visiting **35% of people WERE supportive of water recycling**, and once they had visited, this figure **increased to 68%.**

The following summaries show all questions asked and the responses provided. No data has been amended or adjusted.

Speed Monitoring in Horndean – An update

Residents will be aware that Horndean Parish Council acquired three free of charge Auto Speedwatch (ASW) Cameras from EHDC last year. These have been deployed at various locations throughout the parish since July 2024. The cameras have Automatic Number Plate Recognition (ANPR) and through this, we have gathered details of the worst and persistent speeders on our roads and have shared this with Hampshire Police monthly.

Following many discussions and lobbying by ourselves (and other Parish Councils in East Hampshire) about what action will be taken by the police, we have now been informed at a meeting on 21st October 2025, that the legal position of Hampshire Police is that NO enforcement or warning action will be taken by them using the ASW camera data. This is their final position. Furthermore, we (HPC), cannot publish the data for GDPR reasons.

Hampshire Police and the Police and Crime Commissioner have launched their own initiative aimed at issuing more "tickets" and prosecuting more offenders via increased patrols (vans, motorcycles and roadside) and the installation of static "yellow box" cameras at some "blackspot" locations (funded locally in most instances).

As the ongoing cost of the ASW cameras is considerable both in fees to the manufacturer and time spent by HPC Councillors and Staff we have decided to change our approach.

- We will retain the ASW data at the summary level to create Heatmaps of speeding issues in Horndean for future police activity but we will stop using these cameras immediately.
- We will purchase (using grant money or Community Infrastructure Levy (CIL)) two additional Speed Indicator Devices (SIDs), making three in total, and use these to provide summary data to the police to help plan their radar patrols. These devices also give drivers a visual warning of their speed allowing reasonable people to slow down. They also count all traffic which will enable us to provide data for planning purposes.
- We will strengthen our ties with Community Speedwatch enabling to target and increase the effectiveness of their patrols in Horndean.
- Longer term we will look to utilise opportunities to use CIL from developments and grant monies to implement additional safe crossings, fixed cameras or other traffic calming measures.

We know this is an important issue for our residents and we ask for support and understanding in our quest to make Horndean's road safer and reduce vehicular anti-social behaviour more generally.

Horndean Parish Council
